Hello Classic Car Members

### Presidents Report for July:

It never ceases to amaze me how many garages and sheds around the region hide wide ranging classics in various stages of decay or restoration. Last month's Nelson Hospice run, organized by the Nelson Vintage Car Club, saw 290 vehicles attend and raised \$6000 for the Daffodil Day Appeal. The stunning variety of cars that turned out was mind blowing and the well-run event meant you kept passing some beautiful machinery travelling in the opposite direction, often more than once. Mind you it is a bit disconcerting as initially you think "Bugger, has my navigator made a cock up in reading the course directions".

With the approach of Spring and Summer no longer a pipe dream, now is the time to get your second love out and hit the road Jack. After a winter of fettling or just leaving her parked in the corner of the garage, the smile on your face when you get her on the road will make up for the hours and money spent trying to rediscover lost brakes or overcome cooling issues.

We have some great events coming up. The Lord Nelson Rally kicks off from Nelson on the 14<sup>th</sup> September with 52 entrants.

The 21st Anniversary luncheon of the Nelson Marlborough Classic Motoring Society on Sunday 28<sup>th</sup> October will be a great trip down memory lane for many of our members. For catering please let me know if you are attending by 21<sup>st</sup> October. The cost is \$16 per person subsidized \$10 from your club funds. The Event is being held at the Waimea Club on Queen St, Richmond at 12 midday. Please pay beforehand, into bank account 123 165 0158467 00 with your name as reference. This Anniversary will see the launch of a Booklet by Denis Le Cren, outlying a brief history of the first 21 years 1997 – 2018. Your committee has decided that there will be no charge for this wonderful, full colour booklet. Those not attending the Anniversary Lunch will have their copy mailed to them. The theme of this event is a look at "The Life and Times of Duncan Rutherford, Classic car collector and a real identity of Richmond / Nelson ". The next "Biggy" is the trip South on Friday the 9<sup>th</sup> November staying in Hanmer and taking in the Hawkeswood Classic sprint on Sunday 11<sup>th</sup> November. Unfortunately the visit to Rodin Cars in Mt Lyford is off due to Health and Safety regulations being enforced by the powers that be !!..

In between all these, the regular monthly runs on the last Thursday of the month continue to prove popular. We are so lucky to have motivated club members that continue to organize these events for us all to enjoy. Cheers team. We really appreciate you.

Until the next newsletter, join in what's organized and have safe, trouble free motoring.

Pete Glue,  
President

## Recent Events

### May 2018:

We had a really good week weather-wise for the last week of May, however Thursday was bleak and chilly with the temperature hovering between 9 and 10 deg which was offset by the warm welcome at the Pelorus Bridge Café.

The choice of food was very good and tasty. I was surprised at the number of motorcyclists who had popped over from Blenheim just for the ride and lunch on such a cool day. Jill and Malcolm Adams came across from Blenheim which was nice.....I hope the Nelsonian's looked after them .

### July 2018:

The July run headed out to Brightwater, around Mt Heslington road then meandered round the area finishing at the Lower Moutere Hotel for a very light lunch. Again, we were pleased to include Lyn and Keith Pearce from Blenheim, and this time the weather was great. I felt a bit rubbish that week so thanks to Kevin York for assisting with the route plan.

.....Frank.

One out of the bag is the best way to describe the classic car run to Lake Rotoiti for a coffee, on to Wairau Tavern for lunch then yet another coffee at the Slip In to be entertained by the returning boaties. 12 cars from Nelson and 10 from Marlborough ventured out in stunning spring conditions, not a cloud in the sky, not a breath of wind but quite cold on the move (unless you were in a tin top).

The Wairau Valley run is always special, especially now that the coastal route on Highway 1 has reopened and the trucks and tourists have vacated "our" road. Lunch at the Wairau Tavern, sitting outside, soaking up the rays, is always an entertainment just as long as you are patient and realise that the meal for a John may really be for a Joan!

A great get together guys. It's been 2 or 3 years since we did the run. It's well worth leaving on our agenda of "a good drive in the country".

Happy 80<sup>th</sup> Birthday Ross Atkinson

Another Lord Nelson has come and gone. Started Friday, the 14<sup>th</sup> September at the WOW museum in Nelson. President Peter Glue greeted everyone, and Bruce Watson informed everyone on the days format. A big thank you to Mike Wilson at Cartel Works for opening the car display and subsidizing the morning coffee. Everyone departed for Westport (well almost everyone) new member Ross Betts had a hiccup with his Merc and had to stay behind to try and sort it out. There was a little bit of rain at Westport but that soon cleared and luckily that was the only rain we had. Lunch was at the Club Buller, Whitebait fritter soup sandwiches etc.

Chris Rhodes had a clutch slave cylinder problem and somewhere in Westport they managed to find the parts to repair it. After a lovely lunch it was onto Beachfront Hotel Hokitika down the very scenic drive along the coast road.

Beachfront are in the processes of doing some extensive renovations, so it wasn't perfect, but everyone worked in well and we had a good stay and meals.

Drivers briefing out in front of the Hotel and off to the Hokitika gorge. Some lovely viewing up there well worth the drive. I believe there was only one car that followed the correct route.

Back to the Empire Hotel for lunch and another fantastic spread. From there everyone headed to Hanmer for Night two. It was good to see Ross and Dianne Betts there and rejoining the tour. What started out as a fantastic night ended in disaster. **“The All Blacks Lost”**

The sun did come up the next morning and we were greeted with a very nice breakfast.

Bruce gave us our direction and it was off to Kaikoura to check out the Beach Hop cars and then onto our final destination Blenheim.

The Marlborough Convention Centre real did a mighty job of looking after us. We had a talk from Antony from BASIS Renwick telling us about his business and what he can offer members. President Peter did a brilliant job of presenting the awards.

A big thank you to the organizing committee for their hard work Rosanne, Brent and Bruce, wives and partners, job well done.

The tour committee have done two tours now and it is time to hand over to someone else with new ideas. I have draft entry forms, acceptances, budget, on computer and can help with car plates and name tags if required. Anyone interested should get hold of President, Peter Glue or a member of the committee.
