## Sunday 8<sup>th</sup> September Takaka Trip

Members enjoyed a driver over the Takaka hill and down the valley to lunch at the Pohara Boat Club before visiting Paul Sangster's collections of memorabilia.

You name it – he more than likely has it! Extensive collections of military items dating back through the centuries, ex-army vehicles, old motor bikes (some restored) shed/workshop and household items dating back over the years etc. You need more than a day to take it all in.

Paul is currently fighting bureaucracy to build a museum on his land in central Takaka to display his collections.

Thanks to Marty & Carol Armstrong for organizing an enjoyable and informative day.

## Daffodil Rally for Cancer

A good number of members took part in this year's Rally for Cancer on Sunday afternoon 25<sup>th</sup> August at Blenheim and Richmond which was also well supported by other car clubs. The events raised worthwhile funds for the direct benefit of the respective branches of the Cancer Society. About 300 classic cars took part in the Richmond rally and public car show and about 240 cars took part in the Blenheim event. The rally was organized by 36 branches of the Vintage Car Club across New Zealand with an entry fee per car and public viewing fee, raffles and food/drink stalls.
